# PUBLIC FACILITIES AND IMPROVEMENTS

### Twin Cities Rail Trail (TCRT)

\$100,000

Summary: Project funds will be used to cover a portion of the total purchase price of 2.2 miles of abandoned rail banked line in Fitchburg, to create a multi-use trail from Fitchburg to Leominster. The state has committed more than \$12 million in funds to design and construct the TCRT, and a federal earmark of \$2 million has been set aside towards the \$3 million purchase price of the trail. The balance of the purchase price is expected to be borne by the two cities.

### Parks and Playgrounds Improvement Project

\$110,000

Summary: Project funds will be used to match \$244,203 in Parkland Acquisitions and Renovations for Communities Program funds (PARC) to make improvements to the First and Railroad Street Park. Activities include the installation of a basketball court and provision of green space for passive recreation and education. The mitigation of storm water runoff is an added benefit of the project. These funds will be used to supplement prior year CDBG funds to continue work on other parks listed on the City's Priority Action Plan for Parks and Playgrounds.

TOTAL PUBLIC FACILITIES AND IMPROVEMENTS

\$210,000.00

The Council as a Whole Committee recommended the Funding be approved by vote of 7 in favor and 1 opposed (Beauchemin). 8 members present. Board consists of 11 members.
